

Jasper Activity Centre / Fitness & Aquatic Centre - Getting Here

Directions

Coming from Hwy 16 East (Edmonton), Hwy 16 West (BC), or Hwy 93 South (Lake Louise) you will pass under a rail bridge on your way into town. You will be on **Connaught Drive**. Stay on Connaught until you reach Pyramid Lake Road junction (on your right from East or on your left from West/South). Turn onto Pyramid Lake Road. At the 3rd four-way stop turn left onto Bonhomme St.

Parking: The parking lot is on Bonhomme St (on your right) between the Catholic Church and the Museum.

Loading Zones & Event Parking

Loading: On Pyramid Lake Road do a u-turn before you reach the 3rd four-way stop into the small parking lot between the High School and the Activity Centre. The loading areas for both the Multi-Purpose Hall and Event Hall/Curling Rink are in this parking lot. For the MPH use the first stall on your right. For the Curling Rink use the ramp beyond the planter box at the double doors (next to the tennis courts entrance).

Parking: You may be ticketed if you park your vehicle in the loading zone. Once loading is complete, move your vehicle to the parking lot on Bonhomme St, where there is room for large vehicles.

Note: Jasper has an anti-idling bylaw; please turn your engine off while loading. All loading areas are non-smoking areas.

Loading Area Specifications

1. The main double loading doors to the Multi-purpose Hall are 5'10" w x 6'4" h (removable post) with a 6" ramp. Doors are approximately 50' from the stage.
2. The Event Hall/Curling Rink loading doors are 7'11" w x 7'9" h (removable post) with parking lot level access. Portable ramp is provided to get down walkway once inside the rink.

Note: Other loading areas (some with stairs) are available if required.
