When applying for new admission, parents/guardians will be asked to come for an orientation visit to the program before their child begins care. At this time, parents/guardians will have an opportunity to get to know the facility, the program and the staff. A completed application form and Parent handbook must be returned before your child begins care.

**If you are returning to care for a new school year, it is not required to come for a parent orientation; this is for new to the program families only.*

By signing below I agree to the following:

- I must give 30 days written notice of my intent to terminate a full time space.
- I agree to pay the monthly fees associated with Full time or Drop in depending on my choice above.
- If I choose the drop in option, then I understand my space is not guaranteed and I will need to arrange and confirm dates with the Assistant Manager prior to my child attending.
- I am aware that the Out of School Care Program Fees increase in January of every year.
