

# Community Conversations 2020-2021

Through **Community Conversations**, individuals and organizations in Jasper work together to identify social trends impacting residents. Members seize opportunities to take action together to promote wellbeing for all individuals and families in Jasper. Members share resources and provide mutual support, coming up with collaborative and locally driven solutions to complex challenges the community is facing.

Community Conversations	The Newcomer Network	Jasper Immigration Coalition
Agency representatives and community members meet to discuss <b>social trends impacting a specific age group in Jasper</b> . Participants seize opportunities to problem solve together and develop initiatives that address trends being noticed.	The Newcomer Network is a space <b>specifically for newcomers and immigrants</b> to meet each other, talk about successes and challenges, share resources and learn about local resources available.	The JIC is made up of participants from each life-stage focused Community Conversation group along with other community members. Together, participants focus on <b>implementing Jasper's Settlement Strategy</b> and staying aware of the dynamic social needs of newcomers within the community.
