Local Government

Municipal Council – * Click this heading to read the full Council Highlights

- The Municipality is implementing the paid parking pilot project in early July in the downtown core. There is a map on the website with a link to more information. The cost will be \$2 per hour, 9-5pm, in the designated areas to support turnover of these spots.
- Council repealed the face mask bylaw, so when the province moves into stage three, Jasper's face mask regulations will be in line with the province.

Community Development (CD)

- CD went on a Wapakwanis Plant Walk with Warrior Women, an Indigenous owned business in Jasper. It was a great way to connect with the local environment from an Indigenous perspective.
